

'CLEF DU SOL', IGP COTES DE GASCOGNE, VILLA DRIA

2017 | Red Wine

Case Size: 6

Nose is powerful with aromas of red fruits, black cherry and aromatic spices. Palate is plump, with well-rounded ripe fruit flavours laced with soft tannins. Delicious!

Vinification:

Harvested early in the morning when the temperature is cool, the grapes are picked, separated from their stalks, sorted, protected against oxidation and quickly transported to the winery. The first fermentation takes place in stainless steels vats for a period of 5 weeks. This is followed by pneumatic pressing, malolactic fermentation and maturation on fine lees.

France, Cotes de Gascogne

Villa Dria
