

MALBEC 'KELTEHUE'

2022 | Red Wine

Argentina, Mendoza

Don Manuel Villafane

7798144670342

Case Size: 6

Deep inky red in colour. Rich on the nose with black and red berry fruit notes. Smooth and silky to taste with a well balanced and long pleasing finish. Argentinian Malbec tends to have mellow tannin than its French counterpart and this is a perfect example. Great value Malbec!

Vinification:

The soil of Mendoza is permeable, sandy and with a very good balance of nitrogen, ideal for the growing of excellent varieties. Keltehue Malbec is vinified traditionally in stainless steel tank and stored in tank before bottling to retain fresh, fruity flavours.

Grape Varieties: Malbec

Classification: NULL | **ABV:** 14% | **Closure:** Natural Cork
