Once again, Eurowines will be presenting a selection of award-winning wines at Wine+ 2009.

Only those wines from across the Eurowines portfolio that have received one or more of the following awards have been picked for the show:

- **Bronze, Silver or Gold** at the International Wine Challenge or the International Wine & Spirits Competition.
- **90 points** or above in Wine Spectator or Robert Parkers' Wine Advocate.
- **Three glasses** in the Gambero Rosso, Italy's most prestigious wine competition.

An impressive 56 wines made the list, many of which have won multiple awards across the continents.

Wines such as the **Argentiera Bolgheri Superiore 2005**, from the double trophy winning winery Tenuta Argentiera, or the **Amarone Classico della Valpolicella Riserva Sergio Zenato 2003** from the Italian wine producer of the Year in the IWSC, Zenato, recipient of Gold best in class medal in IWSC and Three Glasses, the highest award at Italy's prestigious Gambero Rosso competition.

We hope that you will be able to join us on our stand (**505**) at Wine+ to meet the team, try the latest vintages and enjoy these exceptional and diverse award-winning wines.
