

CABERNET SAUVIGNON GARDA DOC

2022 | Red Wine

Italy, Veneto

S. Cristina

8005631000100

Case Size: 6

Deep ruby red in color. It's complex on the nose and rich with lingering aromas that alternate between red fruit, ripe fruit, jam, and underlying hints of vanilla, spice, and a very light yet seductive herbaceous note. It's dry and well bodied on the palate, with wonderfully balanced tannic structure that makes it ideal for long-term aging.

Vinification:

The grapes are fermented for approximately 2 weeks in stainless steel tanks with frequent pumping over to obtain great colour and fruit extraction from the skins. The wine is then aged for 15 to 18 months in new and used barriques. After racking, the wine spends 2-3 months in stainless steel tanks and for a further 5-6 months in the bottle before being released on the market.

Grape Varieties: Cabernet Sauvignon

Classification: DOC | **ABV:** 15% | **Closure:** Natural Cork
