

LUGANA DOC 'VIGNETO MASSONI'

2023 | White Wine

Case Size: 6

Its multifaceted nose is aromatic, fresh, and fruity, with notes of grape, peach, citron, grapefruit, and a hint of pineapple, which adds tropical character. On the palate, the wine is approachable, fresh, and has good minerality.

Vinification:

The Trebbiano grapes are harvested at the end of September by hand. They are soft pressed on arrival at the winery and fermented in stainless steel tanks at controlled temperatures for 20 days. The wine is then aged for 5 months in stainless steel tanks with a further 3 months in bottle before release.
