

# PINOT GRIGIO COLLIO DOC

2022 | White Wine

**Case Size:** 6

Straw yellow in colour. Fragrant bouquet, recalling scents of vanilla and lime flowers. Strong on the palate with a long finish. A great example of quality Pinot Grigio.

**Vinification:**

The grapes are harvested by hand and steeped in a cold horizontal press for eight hours. Fermentation takes place in steel tanks at a controlled temperature of 18°C. When the fermentation is over, the resulting wine remains in the same containers to mature for about five months at a constant temperature before fining and bottling. The wine is left in bottle for a prolonged period before release.
