A deep red wine with ripe, red fruits and milled pepper on the nose, followed by black berries and spices on the palate. The finish gives hints of dark chocolate. One for the Shiraz lovers out there!

The grapes are hand-picked, bunches and berries are individually sorted to ensure only the best quality fruit is reserved for this wine. Fermentation takes place in small, open stainless steel tanks and the wine is then matured in small French and American oak barrels for about 18 months before blending and bottling. The bottled wine is given a further six monthsâ€™ rounding off before release.
